

DV1 Clearcoat Spray Gun

Experience the Next Generation of Clearcoat Application

Experience the next level of precision with the DV1 Clearcoat Spray Gun, the newest member of the groundbreaking DV1 lineup. Designed for excellence, this spray gun ensures unmatched consistency and enhances the application of the top clearcoats on the market. Elevate your spraying technique and achieve flawless results every time!

The DV1 Clearcoat gun features the all-new DV1-C1 PLUS Clearcoat Air Cap, delivering superior high-efficiency performance for a flawless finish. This air cap distributes even, super-fine particles in a consistent, homogeneous pattern to lay the clear flat, allowing painters to easily wet up a surface while minimizing runs and sags on vertical panels. The all-new fluid tip design increases fluid flow while stabilizing air flow, minimizing material usage and providing significant paint savings.

With a new black matte finish, the DV1 Clearcoat boasts a better grip for easy handling, ensuring maximum comfort on the job, while providing more power for higher productivity.

Through faster performance, proven paint savings and superior atomization, the DV1 Clearcoat Spray Gun gives painters the confidence to know that they can achieve a high-quality, glass-like finish every time.

FEATURES

- Delivers ultimate clearcoat application performance
- Sprays a uniform pattern that lays the clear flat and easily wets up a surface
- Atomizes effortlessly, producing an even distribution of super-fine particles
- Provides maximum comfort and easy use from set-up through the entire spraying process
- Provides improved transfer efficiency and saves time completing each job
