Technical Data Sheet

WHITE OUT - L828

High foaming traffic film remover

White Out is a non-caustic, high foam traffic film remover with a powerful rich foam that clings to surfaces for a longer contact time. Effectively and effortlessly lifts and removes dirt and grime from your vehicle, leaving a spotless, streak-free, shiny finish.

ADVANTAGES

Non-caustic, powerful high foaming traffic film remover

Rich foam clings to surfaces for a longer contact time

Suitable for all paint finishes, including commercial vehicles

TYPICAL APPLICATIONS

White Out is suitable for all paint finishes and is safe for use on alloys, windows and mirrors, allowing for full vehicle cleaning.

APPLICATION INSTRUCTIONS

PRESSURE WASHER: Can be used directly through the pressure washer using a high foaming system at a final nozzle concentration of 1:30 – 1:100.

Cover the vehicle from top to bottom. Leave for 5 minutes contact time to allow the product to work on surface contamination.

After 5 minutes, jet-wash the product from vehicle.

Never allow the product to dry out on paintwork.

The amount of foam product will be dependent upon the dilution ratio, water pressure and the application method.
